Dear Mr. Maples:

This correspondence is to acknowledge receipt of your open record request submitted to the Department for Medicaid Services and to provide a response. The records you seek are unavailable at this time. We are in the process of working with DMS personnel and our contractors to retrieve the requested information. We anticipate that the responsive records that are not otherwise exempt from disclosure will be available for you on or before **August 15, 2019**. If the records are available before that time, we will promptly notify you. If your request requires further supporting documentation, such as a release of information form, the Department will advise of such in future correspondence.

When our review of the material is complete, you will be advised of the cost. The documents which are available for disclosure will be ten cents (\$.10) per page plus postage. You will be requested to make your check or money order payable to the Kentucky State Treasurer at that time and mail it to this office. Once the money is received, a copy of the material will be mailed directly to you. Please note if you have already submitted a payment with your original request, it has been filed with your request.

The law requires that we protect the privacy and confidentiality of other individuals who may be mentioned in our records. Personal information about others may be redacted from the documents you requested.

Please contact Amy Perry at (502) 564-8196 if you have any questions regarding your request.

Sincerely,

for Amy Richardson, Acting Director
